AP US History CLT Meeting

Hello:

This year, some of our honors and AP teachers have had conversations about how to best support our students who choose to take multiple honor and/or AP level classes. From these casual conversations, it seems the next step might be to have a PLC with honors/AP teachers of certain grade levels that share students. The hope from this meeting might be to take a look at common classes our students are taking next year, and brainstorm potential lessons or opportunities we can give these students to best help them manage their class load.

Please reply to let me know if you are able to meet during PLC time (8:15am-8:55am) on Friday May 19th, to continue this brainstorm.

THANK YOU!
